0 Preliminary Remarks

Subject to current developments, the DLRG Cup 2024 will be held without restrictions due to Corona requirements.

The organizer reserves the right to make short-term changes to this announcement if it is necessary, due to legal requirements or other requirements. These do not give reason to an extraordinary right of withdrawal or the refund of entry fees and participation fees.

However, the NEM obligation does not apply to any necessary designation of substitute athletes.

The organizer also reserves the right to cancel the DLRG Cup at short notice due to legal requirements with reimbursement of the entry and participation fees. There is no claim compensation on the part of the organizer, e.g., for cancellation costs for booked accommodations.

1 Competition

1.1 Competition /Time Schedule

Disciplines at DLRG Cup will be held in heats, semi-finals and finals (same for female and male) depending on number of participants.

The organizer reserves the right to change location and time of the event at short notice for a special reason. He assumes no liability for costs incurred for clubs, if they enter contractual obligations with third parties, e.g., for accommodation services.

1.2 Age Groups

Classification will be conducted in the open class.

1.3 Events

1.3.1 Single Events

Each competitor takes part with his registered disciplines in the "Three Individual events" classification. Maximum number of starts in single events per competitor is four; the three best results will be counted.

- Surf Race
- Board Race
- Surf Ski Race
- Oceanwoman/Oceanman (Final as eliminator-race)
- Beach Flags
- Beach Sprint
- possible replacement discipline in case of unsuitable weather conditions

1.3.2 Team Events

Each team is allowed to compete in only one relay per team and discipline (female and male) and one mixed team (two female and two male).

- Board-Rescue
- Rescue Tube Rescue
- Oceanwoman-/Oceanman Relay
- Beach Sprint Relay
- Mixed Ocean Lifesaver Relay
- **possible replacement discipline in case of unsuitable weather conditions**
- 3x1km Beach Run Relay

1.4 Eligibility/Start Conditions

Eligible are

- a) Club teams of the DLRG
- b) Club teams of full members of the International Life Saving Federation

These teams have to consist of minimum one (1) and maximum twelve (12) competitors belonging to the age group born 2008 and older. Maximum six of these competitors have to be female or male participants. For each club only one team can be registered.

All athletes under the age of 18 must additionally complete and sign the appendix for the participation of underage athletes in order to be granted a starting authorization.

Classification of Disciplines

Classification

Pointscore occurs to ILS Rulebook (1.6.) and bulletin Sport-05-24

At the DLRG Cup the first three places in the following categories will be honoured:

- a) Single events f/m
- b) Relays f/m

1.4.1 DLRG Cup Overall

After finishing all disciplines, the first three places in the following categories will be honoured:

c) Classification of "three single events" f/m.

For each competitor (f/m) the results of his/her best three single events will be counted

d) Team Classification

For each team the four competitors (f/m) with the best number of points in the "three single events" and the points of all female and male relays including mixed Ocean Lifesaver Relay will be counted.

1.4.2 Publication of Results

The results will be published on the DLRG homepage. Certificates are only issued if requested by Email to cup@dsg.dlrg.de

1.4.3 Award Ceremony

All Award Ceremonies, described in 4.4, take place during the competition directly on the beach. They will be announced about 15 minutes in advance and will also be held if the winner is absent. The DLRG Cup Overall scoring (1.5.2) and the classification of the "three single events" are carried out in the evening before the closing ceremony.

1.5 Competition Rulebook

All competitions at DLRG Cup are carried out according to the International Rulebook of ILS International Life Saving Federation in the currently valid version:

<https://www.ilsf.org/lifesaving-sport/rules/>

Furthermore please note bulletin Sport-05-24.

During the event the manager and the judge may decide about changes concerning the carrying out of the particular competition and disciplines. Deviations from the International Rulebook are possible because of local or changed conditions. This will be announced on site.

1.6 Starting Documents

International clubs have to confirm with attachment 1 "Endorsement of Eligibility", that with their registration all competitors of the team fulfill all conditions mentioned.

Competitors with incomplete documents will be excluded from participation.

1.7 Venue

The DLRG Cup 2024 will be held in the Sport Beach Arena at beach section 1 in Warnemünde. As a bad weather option, an alternative area is available on beach section 25. A decision on the use of this alternative area may be made at short notice. Further information will be sent to the registered teams via mail.

1.7.1 Access Venue and Storage of Equipment

On the beach there will be a marked area for the competitors' equipment and/or trailer. Please use only these areas and bring boards and skis, which are not in use, away from the competition area. Trailers and tents have to be signed with a name and a telephone number for reachability. Tents have to be set up safe within the marked area, please think of the weather conditions, the team is responsible for the safety. The organizer assumes no liability for loss, theft or accidental damage for the tents and equipment. To provide enough space for the trailers, boards and skis, we ask all teams to give us the necessary information in advance.

We point out that for the vehicle access to the beach is generally not allowed. Only the organizer can make an exception for allowed motor vehicles, that may use the access. Inobservance can lead to an exclusion from the competition. It is also prohibited to park vehicles and trailers above the competition area (dune loop). Fines and towing fees will be forwarded to the respective owners!

Trailers have to be pulled by the teams themselves (by hand) to the equipment storage location. On Thursday and Saturday, the concrete path is only usable very limited for arriving and departing teams **due to the necessary assembly and dismantling work.**

Time Schedule for the transport of the Trailers on the Tar Road:

Thursday 18.7.2024:	8.30 a.m. till approx. 10:00 a.m. and probably in the afternoon.
Saturday 20.7.2024:	2 p.m.till approx. 4 p.m., (with beginning of removal at the beach, only upon approval by the event management).
Sunday, 21.7.2024:	9.00 a.m. till 12.00 a.m.

Times are subject to change due to current/short-term requirements. Access is determined by the instruction of the personnel deployed at the access barrier.

1.8 Equipment/Clothing

Equipment for the competition parcours and rescue tubes are provided by the organizer. There is no equipment pool (ski, boards...) available.

Used equipment has to accord to the Rulebook (1.5)

Competitors are permitted to use their own equipment only if it is scrutinized by the judge. The organizer reserves the right to brand the equipment (also the scrutinized equipment).

Participating teams are not allowed to show their own sponsors if they are in concurrence to the event-sponsor. Therefore, the participating teams have to inform the organizer, together with registration, about their supporting advertising partners. The organizer has the right (until the end of competition) to withdraw the eligibility to start in case of non- compliance.

For security reasons and identification, each competitor and assistant, who takes part in a discipline, has to wear a **fluorescent coloured** lycra during the competition, except for the disciplines "beach flag", "beach sprint" and "beach sprint relay". Lycra vests can be acquired in advance at the DLRG headquarter - Materialstelle. During all events, each active participant at a discipline has to wear a uniform team cap, which is fixed below the chin.

All teams, who have not registered their team caps yet, please send an E-Mail with a description (colour, design, shading) or a photo of the team cap to: cup@dsg.dlrg.de (please see overview attached). If a team has changed the design of its cap, this also has to be announced.

The individual start ID has to be applied visibly and recognizably on both upper arms.

1.9 Officials

Officials will be invited by the organizer separately.

1.10 Doping Tests

All competitors, coaches, team managers, officials and other involved persons are following the ILS Anti-Doping Policy. The DLRG Cup is announced to the National Anti-Doping Agency (NADA). Doping tests may be executed during the competition.

1.11 Time Schedule

All events are planned on Friday and Saturday between 8 a.m. and 6 p.m. and on Thursday from 1 p.m. to 6 p.m. If not all disciplines can be realized in this time, the competition may be stopped at 6 p.m. with the results of finished finals at this time. A non-binding time schedule will be published before the event. In daily team manager meetings, which will take place on Thursday noon, Thursday evening and Friday evening after the competition, further general information for the schedule will be provided.
